or

Log in via LBBW Token Desktop

Open app 

Above methods not working? Use access code

LBBW Token information and download Activate my user account

2) Click on „Download installer“.

LBBW Token information and download

The LBBW Token supports the secure user authentication and authorisation of payments and other financial operations without any additional devices, which makes the need for tokens, such as smartcards, superfluous.

Further information about the LBBW Token can be found [here](#).

Download LBBW Token

To install and use the LBBW Token, please download the application below and follow the initialisation workflow.

 **Desktop application**

<div style="background-color: #1a3d4d; color: white; padding: 5px; margin-bottom: 5px; display: inline-block;"> Windows  </div> <p>Windows Download installer</p>	<div style="background-color: #1a3d4d; color: white; padding: 5px; margin-bottom: 5px; display: inline-block;"> MacOS  </div> <p>MacOS Download application</p>
--	--

 **Mobile application**

<div style="background-color: #ccc; padding: 5px; margin-bottom: 5px; display: inline-block;">  </div> <p>Android Download from Google Play</p>	<div style="background-color: #ccc; padding: 5px; margin-bottom: 5px; display: inline-block;">  </div> <p>iOS Download from App Store</p>
---	---

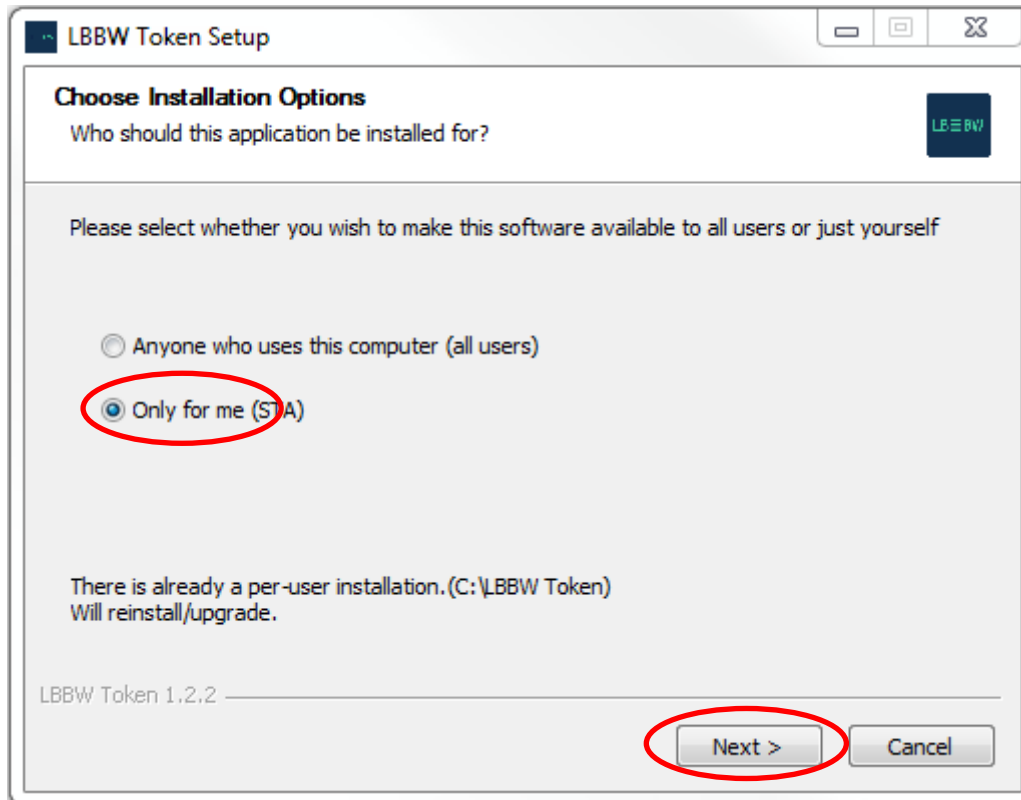

3) Unzip the downloaded zip file...

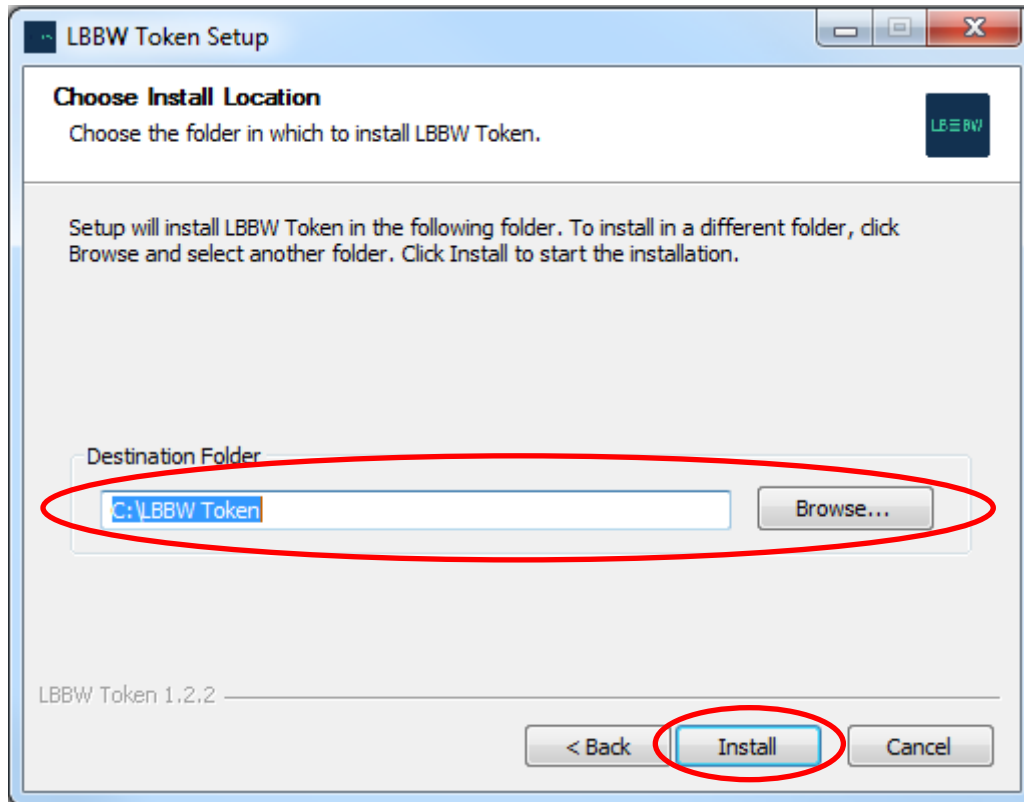

... and start the unzipped file by double-clicking on it.

4) Select the variant "Only for me" and then click on Next. Please select the option "Anyone who uses this computer" only if several people are using the computer.

5) The directory in which your "LBBW Token" has already been installed is displayed here. Click on Install.

6) Click on Finish.
