

Login LBBW Business-Portal

From 26 November, Customer and User ID will no longer have to be entered when logging into the Business-Portal.

Then the Login page looks like this:

Login

Key location

Password

i

- My user account is not active yet.
- I want to reprint my INI letter.
- Go to the demo mode.
- System info

Click on Browse and choose your key file.

Login

KeyBag.dat

Password

i

- My user account is not active yet.
- I want to reprint my INI letter.
- Go to the demo mode.
- System info

Enter your password and click on Login.

Login

KeyBag.dat

.....

i

- My user account is not active yet.
- I want to reprint my INI letter.
- Go to the demo mode.
- System info

Afterwards you can use the LBBW Business-Portal as usual.
